Can't you put your fingers out of my nose
am I to suspect in your way
my minds dead drunk I try to hold your hand
but I can't overcome myself

I guess I am blind

How did you feel without me
I felt empty and I regret it now

Let me inside - let me inside to dry your tears
Let me inside - let me inside to bann your tears
Let me inside - let me inside I'm on my knees

Have a little faith in me my girl
'cause I'll stay by your side, oh yeah, uuuuh 'mmmmm
