Punch the clock every single day
Will this feeling ever go away?
You tell lies that I can't be
Once in a while we cannot see
What do you expect from reality?
What do you expect from me?

Been up for days can't sleep at night
Got to find myself again
Been up for days can't sleep at night

I don't care if you don't know
There's no way out and there's nowhere to go
I don't want to give up now

Your way of life ain't no way to live
You always take and never give
You can't take everything from me
That's not the way I want to be
I don't want to fit in society
I'll tell lies that you can't see

Been up for days can't sleep at night
Got to find myself again
Been up for days can't sleep at night

I don't care if you don't know
There's no way out and there's nowhere to go
I don't want to give up now
(I'm not following the blind)

I don't care if you don't know
I don't care if you don't know
I don't want to give up now (fade)
