Let's dance in style, let's dance for a while  
Heaven can wait, we're only watching the skies  
Hoping the best, but excepting the worst  
Are they gonna drop the bomb or not?

Can you imagine when this race is won  
Turn our golden faces in the sun  
Praising our leaders, we're getting in tune  
The music's played by the madmen

Forever young, I want to be forever young  
Do you really want to live forever - forever young

Some are like water, some are like that heat  
Some are the melody and some are the beat  
Sooner or later they all will be gone  
Why can't they stay forever young?

So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams swinging out of the blue  
We'll let them come true
