Hello, how you're doing? I hope that everything out  
there is fine!  
Hello, are you choosing, a world in which is Christmas  
every time!?

All 'round the world in dusty, black chairs,  
they are nailed but no one cares but them Yeah...  
Pure resignation, boredom defeat,  
warm beer 'n cold food, that hole is deep but fear! Oh  
Yeah...  
Hey this is me in the magic box, but you have to unlock.  
Then I come out and you have a wish, boredom is a  
bitch!

[Chorus:]  
Hello, how you're doing? I hope that everything out  
there is fine!  
Hello, are you choosing, a world in which is Christmas  
every time!?

I am a wizard small and unknown,  
I will come out when you're real alone and down,  
Yeah...  
Speaking some words and raising my stick,  
Spotlights go on and the party is big, say Yeah...

[Chorus]

All the time, champagne and wine  
Punk Rock's so fine, fun is no crime!
