Strange was the night, and I laughed very bright  
The sun is rising and I'm lonely, what has happen?  
Beautiful land, bottle wine in my hand  
Part of the ocean, drinking in the sand. What?

Wine in the sand, every day is weekend  
Nips of your memories you'll miss my friend, you'll  
miss it.  
Wine in the sand, and you accept no end  
Just raise your bottle, enter paradise, what a taste,  
yeah!

Greatness is mine, I can't walk on a line  
But this harmonic taste in my brain must be a sign  
Everything is fine till I've got enough wine  
I've got no trouble and that's good!  
What, we worry?

Win in the sand, everyday is weekend  
Your horz porz memories will be your friend  
They'll stay forever  
Wine in the sand, and you accept no end  
So keep your horz porz memories 'till the end.

Horz porz memories are coming to my mind!
