She is a girl every boy is dreaming of
and when she smiles, no one can't get enough.
She's got long brown hair and her eyes are brown, too!
When she comes along, it's like a dream coming true!
So I asked her: "Please will you be mine?"
Now here's what she replies...

[Chorus:]

I don't want you no way!
I don't want you to stay!
Would you please go away,
'cause I don't want you no way

[Repeat]

I was very sad, so I cried every night.
It was pretty hard, but today it's all right!
A week later I met her, she smiled to me
and she came over said: "Nice, you to see."
And then she said to me: "Now, you are mine!"
Well guess what I replied:

[Chorus]
