First time I saw that Girl, I know that she was  
made only for me, girl of my dreams  
and there I stood, in front of her, imaging how sweet  
our  
love could be  
So we started meeting and going out  
to restaurants and nice romantic bars  
one night it happened, I brought her home  
she kissed me and she said we're lovers now  
It was a feeling just like flying to the stars  
or just like driving a new car

I wonder why she's gone away

It was like heaven, so wonderful  
my girlfriend, she did everything for me  
she washed the dishes, cleaned up the floor  
bought beer for me and so many things more

we were the perfect couple could see  
I know she was only made for me
