Here I sit and I am waiting
If you'll come or if you won't
You're abusing all my feelings
And you kick my heart around

I am sure that you're no angel
Cause you left me in the bathroom
And you've locked it from outside
And now you're gone

And I think if it is true
It would be so nice, when it came over you
And would stop my cries, and
I'm sure you'd fell so too

Here I'm sitting once again - a big knife in my hand
You are lying in front of me - but you deserved it

And I don't believe it's true
