Here's a brand new song for you
from a guy who's crazy too,
and literally - quite amazing

He's the one and only Maze,
the only one of human race,
and this guitar is made of phosphor!

He sings his songs
He sings them well
About life, naked chicks and grandmas from hell

Maze of Glory he's called, always thirsty and bald
Maze ride on! This fight must be won!
Voice of freedom that's heard throughout the universe

With Le Rouge and your guitar
you're in deed a kind of star
And you know how to abuse it

Sing Haliltzt's-dann-spritzt's for me
and my big boobs you will see!
Is your guitar really of phosphor?

He sings his songs
He sings them well
About life, naked chicks and grandmas from hell

Maze of Glory he's called, always thirsty and bald
Maze ride on! This fight must be won!
Voice of freedom that's heard throughout the universe

All or nothing!
