Stop! The traffic light is red! Breaking, standing,  
waiting makes me sad!  
Don't waste my time, I wanna move. I've got a watch  
from Casio, it is waterproof!  
I've got enough, that's it so far! I'm in the right mood  
now to break down every bar.  
Well good idea, no when? and why? And it doesn't  
matter if it's day or night.

[Chorus:]

Come on and join me in going crazy. Don't give a shit  
for what the other people say!  
It's a feeling like stormy water. No time for worries, just  
kick 'em all away!

Hey, mister go away, 'cause if you won't I guess this  
will be your last day!  
Yeah! I am hot, I am on fire. Oh Shit, I burned a hole in  
my front tire!  
My tire's blown but I'm not blue 'cause there is no one  
who can tell me what to do!  
Just let me say before I die: That's my way of life!

[Chorus]
