It's time again, impatience rules my mind  
my hands are getting wet, it is the greatest pleasure I  
can find  
I know my number's gonna win tonight  
got my pencil and the leaflet and now everything's  
alright

A new car, a big house and holidays abroad  
those things I'll be able to afford

One day I'm sure I'll win a million or more  
everybody will see that I'm a VIP  
all my worries all day will be gone far away  
and I'm sure finally I'm the man I want to be

Look, now the wheel of fortune moves again  
I'm sitting in my chair while starring very nervous at the  
screen  
there are the winning numbers, where are mine?  
they haven't come up, damn it, I have lost again this  
time

There's nothing I am able to afford !
