We finished our last song and hope that you enjoyed it
we had a lot of fun. The Party is over.

The light is going on, so move and do last orders
of tasty brewed cold beer.

[Pre - Chorus1:]

But if you have a lighter, put it on right now
and sing along with me the next part of this song:
I want you all!

[Chorus:]

This is the last time that the amps will moan.
It is the point, when we will leave you alone.
But there's a thing I know for sure,
'cause it's the thing we all live for:
One day we will come back for more!

Smoke your last cigarette and grap the atmosphere
now,
As lucky times go by! A wonderful night.
We hope that you'll come back to see us here the next
time.
We wish you a good time!

[Pre - Chorus2:]

But if you have a lighter, put it on right now
and sing along with me the next part of this song:
I want you all!
And don't forget to come next time again so long!

[Chorus:]

This is the last time that the amps will moan.
It is the point, when we will leave you alone.
But there's a thing I know for sure,
'cause it's the thing we all live for:
One day we will come back for more!
