I got my first real six pack!
And I felt like Robby Nash when he was young.
I went into the mall and bought me a board, it drowned.
Well but I am not demure.
So I built my first board out of 7 trees.
I started dreaming of girls, Hawaii and the Beegee's.

[Chorus:]

I wanna surf until I'm old and grey, until my brain has
past away.
Don't try to tell me something else!
My surfboard is a part of me and my home is the blue
sea.
You can see it in my face!

I taste the salty water and I know that this is the place, I
long to be.
I feel the sun on my skin, I look above the greatest blue
sky I can see!
I love my surfboard, it belongs to me!!!

[Chorus]
