When he was a little kid, many years ago  
He flew with a proper to holiday you know  
But suddenly the engine of the plane broke down  
And unfortunately the plane was crashing down

He survived as only one but home was very far  
He was in the jungle now somewhere in Africa  
Some monkeys were upbringing him there was hope  
again  
And after many years he became a mighty man

Tarzan - I'm in necessity  
Tarzan - Oh please rescue me  
Tarzan - King of the junglewood  
Tarzan - fighter of the good

While living in the jungle, he got a lot of friends  
Lions, monkeys, parrots, natives and big grey  
elephants  
He built up his own empire, needed nothing more  
So he lived day in, day out had nothing to deplore

Then one day he saw something, he's never seen  
before  
There was a pretty girl, now he wanted more  
Jane was her name, Tarzan wanted to get her in his bed  
They felt in love - now they are watching the sunset
