I'm a very kind man, I do the best I can
I play my game, and I'm surely not insane
And I watch my child, it's restless and wild
It killed an ant, moreover an elephant

Drinking glasses full of beer
Hope that nothing changes
I look around and I have seen
My child is out of range

Now I'm alone, my child has gone
A van has come, it's overrun

And the very next day, my mind's away
I start to plan, to do the best I can
But it's over now, 'cause my death's allowed
I said goodbye, committed suicide
