When I got some pennies in this sarcastic hole  
Then I wonder who's done that for me  
Then I'm scared of life and nothing is teaching me  
Then I think I seldom got some time

Anytime you're feeling right  
Anywhere you start to fight  
Please do everything you wanna do  
'Cause there is no time when ...

... You will join to some degree, a group of people you  
will see  
That you won't join the uncle Bob  
And your control is leaving you, and no one's there  
Who talks 'bout you  
'Cause you believed in uncle Bob, good night!

When I look into some eyes who joined as well  
I see merely a person with an heart  
Beaten up by anyone who is there  
I feel a perfect hole of modern reality
