[Mannie]

I know you wish you could find a
Nigga wit a dick like a anaconda
Neighborhood hot boy, super-shiner
Pimp, playa, president, Big Tymer, tymer
I ride on chrome givin bitches the blues
Got the brand new Mo-Moes, twenty inch shoes
Every city I go, these hoes know
Dick slingin contest after the show
Shootin off like a cannon, nuts landin
Right up in va-gana, dick still standin
Hard like a mack test, mega mess
I love it when you walk around showin ya breast
Load music got us shinin, drinkin wine
Bustin out rubbers like it's 1999
Diamonds like street lights, racin bikes
Candy paint, chromed out, dual pipes
I wish I could love every broad the same
Have kids all over with my last name
Ya'll niggas don't think I'm serious, huh
Ya'll think it's a game
But I'm bout the money, the bitches, the cars, and the
fame

[Chorus]

Ball like a dawg (I'm on top of da world)
Everybody in the clique, ball like a dawg (We on top of
da world)
Ya got diamonds round ya neck, ball like a dawg (I'm
on top of da world)
Ya ride 20 inch flats, ball like a dawg (Top of da world)
Aw aw, ball like a dawg, aw aw, ball like a dawg
Everyday, all day, ball like a dawg (I'm on top of da
world)
Everybody in the clique, ball like a dawg (We on top of
da world)
Ya got diamonds round ya neck, ball like a dawg (I'm
on top of da world)
Ya ride on 20 inch flats, ball like a dawg (Top of da
world)
Aw aw, ball like a dawg, aw aw, ball like a dawg

Nigga, know me as a big wheeler, nigga call me a car dealer

I'm gon' floss 'til the lord steal me

I'm gon' ball like a dawg, nigga feel me

Lamborghini's bullet proof, nigga you can't kill me

Vacationin at Las Vegas casinoes

Wit about 100 G's worth of c-notes

Lookin at all these pretty hoes

Gettin beeps from my niggas 'bout some cash flow

I gotta head back to the motherfuckin N.O.

And clique up wit my motherfuckin negroes

And tell Stank get the Lexus cruise 4 doors

And beep the clique, tell 'em strap we 'bout to roll

Go and eat fetticini with the main hoes

And where trillionaire earrings how the game go

Billionaire status from this fuckin rap flow

Tattooed and I'm dealin with them white folks

[Chorus]

[Mannie]

I got a brand new rubber

Tell ya bitch I love her

Meet me at the hotel so I could shove a

Big ass [blanked] in her back

How you luv that?

Big dick down in the drawers is what I pack

Gold Roleys full of gems

Twenty inch rims

Big screen TV showin porno films

Rover, Jag, and a boat

Dinosaur boots wit the motherfuckin matchin coat

I'm dynamite like J.J.

Me and Baby

Damn, Damn, Damn is what the bitches say

[Baby]

I visit my mama grave 3 days a week

I ride Jag drop tops so she can see me

She shouts son be all that you can be

Stay on ya feet and keep duckin these white sheets

And play a different broad 7 days out the week

And I'll be watchin when you be on your all-night creep

Or rollin wit ya Rolex bezel on the city streets

Or when ya clubbin and ya huntin for a new freak

Ridin everyday on chrome and ya packin heat

Mama, I know you lookin down on me

But I'ma ball 'til I fall, fuck the industry

And cash million dollar checks wit my real peeps

And I'ma sag Uptown on this battlefield
And aint gon' let no nigga take no food out my grill
And we gon' ball 'til we fall as we keep it real
Wit gold choppers, nigga you know the deal
