[Mannie Fresh]

Youse a one man bitch  
Go ahead and make that switch  
I got that leather in my shit  
Yo' old man got that itch  
Move up to number two bitch  
Suck a rich nigga's dick  
If you like it than lick it  
If you love it dont quit  
Yo I bet it tastes better  
Let me splash on your sweater  
You need a nigga that let a  
Share that mouth with the fellas  
I'm talking Shawn Dawn  
Yo Teresa and Shirley  
Say...all ya'll hoes come down  
To the big dick party  
Say...Lisa Slim  
Little pretty ass Kim  
Im hollerin at you you you  
That bitch and them  
I've been takin ginseng  
Swing a big ding-a-ling  
I've got a medallion for my dick  
Cause my dick bling bling  
I heard you suck a beach ball  
through a hose pipe  
I heard you also eat nuts  
till the early light  
I heard you like to be tossed  
flossed threw down and kicked  
Well you fuckin with the right nigga  
ol' bougie-ass bitch

[Chorus 2X: Mannie Fresh]

I know you wish you could find a  
Nigga with a dick like an Anaconda  
I know you wish you could know a  
Nigga with a dick like a big Cobra

I know you wish you could go home  
To a nigga with a dick like a Python  
I know you wish you could get a date  
With a nigga with a dick like a Rattlesnake

[Baby]

I got this bitch in the back of my ride  
I ask this hoe when she want my surprise  
A big dick like a cucumber in the eye  
You know that hoe still took that ride  
I asked her had she been fucked inside of a Hummer  
She say no...but I suck dick like a plumber  
Draino swallowin everything I can fool  
I like rockin ice and playin with these hoes  
But sometimes these hoes will make punch um in they  
nose  
Squirt um on they shirt cause she wouldnt swallow what  
I  
Burst Curst the bitch out her teeth were in the way  
Stupid bitch that bullshit hurts  
I've been treatin' these hoes this way since the first  
Slap on they ass  
Hit um from the back where it hurts  
Putting in work I done done my dirt  
Im a dogg ass nigga  
Never put these hoes first

[Chorus]

[Mannie Fresh]

See I like these hoes  
Like these hoes then I leave them  
Then let some old bitch made ass nigga retrieve um  
I could turn a dike bitch back straight  
Then worry these hoes till they lose hair, money, and  
weight  
Say there Daddy  
I'm comin to a neighborhood look near you  
Y'all niggaz lock up ya bitches, broads, and boos  
Youngsters gonna suck my pickle till I'm old and  
wrinkled  
I'm a go all till a a whole a ain't nothin' but a tinkle tinkle

[Baby]

Now some of these hoes like to be fucked in the ass  
Some of these hoes wont let you touch they ass  
Some of these hoes like to be fucked fast  
Some of these hoes know they need to be treated bad  
Some of these hoes need to be kicked in they ass  
Some of these hoes been gettin they old man stash  
Some I play bad

Fuck other nigga hoes fast  
And if yo bitch holla Beatrice  
I put that dick in her ass  
Nine times out of ten  
She suck my dick when I blast  
All because these hoes know I gotta gold and black Jag

[Chorus]
