[Verse 1]

Excuse me  
Let me introduce me  
Look, look, Uptown top of the line HB  
See, I'm a million dollar nigga  
Rolex on my wrist crush  
Ain't too many could touch, baby  
I'm too much  
I'm 15 with 15 carats and 15 figures  
And 15 niggas with 15 hummers with triggers  
I'm way at the top  
Of the million dollar spot  
When I flex what I got  
Make niggas sick like a drop  
Every show I get,  
You could give me a quarter ki  
Tryin' to wholesale  
But it cost six five to see me  
While we be doin' shows,  
Baby transportin' ki's  
Findin' out all ways to beat the N.O.P.D.  
But ugh ugh, can't stop me from shinin'  
No, ugh ugh, can't stop my roley from windin'  
Yeah, I (sniff) I,I, know niggas mind,  
Me and Prime up in the 5  
Dawg, it's top of the line

(chorus)

Say, Woday,  
Look, look, for you to have diamonds like me  
Woday  
Ya'll need to see the leather in the humm-v  
Woday  
Us niggas six figures  
Oh, Woday  
Top of the line nigga  
Say, Woday  
For you to have diamonds like me  
Woday

Check the rack and piney in the humm-v  
Oh, Woday  
See, we playin' with six figures  
Oh, Woday  
How U luv that?  
Top of the line nigga

[Verse 2]

Nigga, I just ordered me somethin' new,  
From sixth generation technology,  
That's only made for movies  
Comin' from Tennessee  
And I'm in Louisville on 23rd Street  
Hangin' with this Hot Boy, chillin'  
Tryin' to find a way to drop a hundred ki's on these  
niggas  
And I'm peepin' this shit  
They be shinin' like me nigga  
Ridin' on 20's,  
They be playin these hoes,  
These niggas in Louisville got a mouth-full of golds  
But see, Playboy, I be bout that shinin'  
These niggas bout that repin' while I be bout big tymin',  
nigga  
I'm so tru to do whatever I do,  
I just bought new cars for the whole crew  
I'm so top of the line, nigga, I don't know what to do  
I bought Fresh a Lamborghini and me a Lotus, fool

I Got the jacuzzi, nigga, in the back of the truck,  
Runnin' water for ya daughter when she wanna get  
buck  
Cable, satellite dish, sony remote  
Benson sold me the truck  
Copa sold me the boat  
I got some shit on my finger that'll blind a crowd,  
I got some shit in my trunk that's way too loud  
I'm the most looked at in the year '98  
Ya'll got to love me baby  
Don't I look great?  
God gave me a gift, so I'm gon' share it ya'll  
Like Michael Jordan, ya'll gon' see me ball

1 million, 2 million, 3.  
Oh! It's my part?  
Lil' niggaa with the cold heart  
Lexus automatic start  
I shine like 18's  
And sparkle like a bezel,  
Ridin' up ya block in a fully loaded Legend  
Nigga, Navigator on broaders

But that's for tomorrow, though  
Shaggin' the 400 with Mag, Julius, and Mario  
Yeah, slut, that's me  
In the GS3  
So play the back seat  
Suck on me  
Watch ya teeth  
And, uh, wipe ya feet before ya step on the mar-ble  
Ding-dong, rock ya bell  
Work ya mell  
So what the hell?  
What?  
Like my smile?  
3 million dollar grin  
What?  
This me  
Hey, introduce me to ya friend  
It's all gravy baby  
Hot Boy  
You should know  
In a Mercedes baby  
Uhuh, that's beautiful  
Look, I'm large girl  
Be flyin' up and down the lake on CDR's girl  
In my garage up at my place  
I got more cars girl  
I swear  
Me and my presence  
We superstars bro  
Look, look, it's marvelous  
Ya see I (bloop)  
Bust like a bottle of Moet  
Go cash about 4 checks  
Go write till I get Moet  
I sticks to the code  
Reeboks and Girbaud  
It's all about a mil, these hoes, diamonds, and gold

(chorus)  
Say, Woday  
Ya'll niggas need to have diamonds like me  
Woday  
Check the woodgrain in the humm-v  
Oh, Woday  
See, us niggas playin' with six figures  
Say, Woday  
Top of the line type niggas  
Oh, Woday  
Ya'll don't have no diamonds like me  
Oh, Woday  
I don't think you drive a humm-v

Say, Woday  
I'm playin with six figures  
Say, Woday  
Runnin' with top of the line type niggas

Hey, Playboy it's like this. Say, go get the shovel, man.  
Let's go dump all this ice. It's wonderful baby. For real.  
Truly marvelous. Ya'll tryin to wear me like jeans,  
but ya'll need to wear ya'll own, man. C'mon, for 50
