I am a simple man  
So I sing a simple song  
I've never been so much in love  
And never hurt so bad at the same time

I am a simple man  
So I play a simple tune  
Wish that I could see you once again  
Across the room like the first time

Just want to hold you  
Don't want to hold you down  
I hear what you're saying  
You're spinning my head around

But I can't make it alone

The ending of the tale  
Is the singing of this song  
Make me proud to be your man  
Only you can make me strong like the last time

Just want to hold you  
Don't want to hold you down  
I hear what you're saying  
And you're spinning my head around  
I can't make it alone
