Take the money and run  
Like a thief across a neighbor's yard  
Take the money and run  
Like a ghost out in the night  
Take the money and run  
'cause you found out that it wasn't hard  
To take the money and run  
Because you were out of sight  
You cannot tell me any more lies  
You cannot pull the wool over my eyes  
Take the money and run

Take the money and run  
'cause the summer sun is sinking down  
Take the money and run  
'cause the four winds may not blow  
Take the money and run  
'cause the verdict has been handed down  
Take the money and run  
Because there's no place left to go  
You cannot give me any more time  
You've already taken too much of mine  
Take the money and run

Take the money and run  
Like a thief across a neighbor's yard  
Take the money and run  
Like a dog out in the night  
Take the money and run  
Because you found out that it wasn't hard  
To take the money and run  
Because you were out of sight  
You cannot give me any more time  
You've already taken too much of mine  
Take the money and run
