Hey, do you remember that girl you used to want?
Yeah, she was hot for lack of words.
And, now she's with the guy,
And i'm wondering why, im pretty sure.
She broke my heart, yeah i'm done for sure.

Take back,
The things you said to me,
I know, you didn't mean a single word.
I am getting rid of you
so dont, try to come back

And, right now it feels like i'm waiting for,
the time i'm baited by another whore,
to take you're place,
i'm done for sure.
But then she'll leave me for you.
yeah what's a boy gonna do?
i'm giving up.
She broke my heart, yeah it's just my luck.

Take back,
The things you said to me,
I know, you didn't mean a single word.
I am getting rid of you
so dont, try to come back

Girl you got me so upside down
I've lost me way.
Girl you made my life a tragic comedy.

Down Down, Whoa Down Down I'm waiting for another
one.
Down Down, Whoa Down Down I'm waiting for another
one.
Down Down, Whoa Down Down I'm waiting for another
one.

Take back,
The things you said to me,
I know, you didn't mean a single word.
I am getting rid of you

so dont, try to come back
