You know that I have had,  
I can take in now,  
I'm getting mad enough to break down.  
So, tell me what it is that  
you want from me

It happens to be one of those days.  
Can't put together what im trying to say.  
And, now im stuck here waiting, contemplating.  
What it is, Whatever it is i'm trying to say.

Whoa  
Dont think about it,  
Dont, Dont think about it.  
Whoa  
Dont think about it,  
Dont, Dont think about it.

Dont have to whisper cause the music is up louder now,  
forgot to tell her and i feel kinda bad.  
So lets,  
dance, dance, dance, dance, dance  
The night away  
dance, dance, dance, dance, dance  
The night away

Whoa  
Dont think about it,  
Dont, Dont think about it.  
Whoa  
Dont think about it,  
Dont, Dont think about it.

We mean it in the nicest of ways.

I'm stuck here thinking,  
And I know im sinking,  
I'm in no hurry, I'm in no hurry.

Whoa  
whoa  
whoa

Dont think about it,  
Dont, Dont think about it.

Whoa  
Dont think about it,  
Dont, Dont think about it.  
Whoa X4
