So, save your breath.  
I know exactly what you're going to say  
and baby i dont think you wanna take  
you're chances on, what will become  
another night you'll be taking to your grave.

And I dont wanna be the one,  
to find out its just for fun.

So, tell me why do  
I, take these chances on one night romances, when I  
only want you.  
Tell me baby do you think that maybe tonight I...

So, take a breathe, and light that cigarette and sit right  
here.  
I'll tell you all the things you want to hear, this time just  
like you always do, I'm leaving this one up to you,  
cause I know, I won't let go...

Of all the things i've held on to.  
All the nights I've wasted for you.

I, take these chances on one night romances, when I  
only want you.  
Tell me baby do you think that maybe tonight I...

I, take these chances on one night romances, when I  
only want you.  
Tell me baby do you think that maybe tonight I...
