Muthafucka, sometimes you feel like a nut
That's what you do
What we got here, uh, check it out
Here's another one, uh, uh
By the Notorious B.I.G.

Head, head and mo' head
Representing for the bitches
Head, head and mo' head
Check it out, check it out now, what?
Check it out, check it out now
Check it out, check it out now, uh, uh

I got a bitch that suck my dick 'til I nut
Spit it on my gut and slurp that shit back up
Ain't that a slut?
(Hell, yeah)
She even take it in the butt

Fuck for about an hour, now she want a golden shower
You didn't know that we be pissing on hoes, bitch
Luke and Biggie straight shitting on hoes, bitch

Lick your toes bitch, fuck no, you must be crazy
Squirt in your face and then I'm swayze
Recognize G, straight up, I can't knock ya
After Big Poppa, fuck all of Junior M.A.F.I.A.

The whole clique, dick sucked, ass licked
Leave your number by the phone, bring your ass on
home
I roam in Lexuses and Benzes, the fly way
With the fliest bitch getting head on the highway

My way, deep throat on Luke's boat
When the moon rises, I'm coming in her eyeses
Just the way playas play
Leave it up to me, I get fucked all day

Sucked all day, smoking blunts, counting cheese
Fucking bitches 'til their assholes bleed
What you say, baby?

Sometimes Biggie Smalls like busting nuts
Sometimes Biggie Smalls like getting gut
Sometimes yours truly like busting nuts
Sometimes yours truly like getting guts

I gotta fuck her in the butt snatch
(Yeah)
I gotta fuck her in her muthafucking pussy
(Yeah)
I gotta fuck her doggie-style now
(Yeah)

I gotta fuck her muthafucking doggie-style
(Yeah)
We gotta suck, fuck, 69 now
(Yeah)
We gotta suck, fuck, 60-muthafucking-9
(Yeah)

But I tell you what I, I, I owe her one
All the fellas in the house say this
"This head is so damn good"
Tell them hoes
(This head is so damn good)

Now all the ladies in the house say
"This pussy, it taste so damn good"
Tell them niggas
(This pussy, it taste so damn good)

Now all the fellas in the house say
Say, "This dick, it taste so damn good"
Tell them hoes
(This dick, it taste so damn good)

Sometimes Biggie Smalls like busting nuts
Sometimes Biggie Smalls like getting gut
Sometimes yours truly like busting nuts
Sometimes yours truly like getting guts

Biggie bag bitches from barbecues to Barmitzvah's
The Big don't fit, use your lips 'cause
I'm feeling kinda itchy for a quicky
Don't take off your coat, all you got to do is lick me

Me eat you, I beat you, then greet you to the door
Bitch, 'cause I don't love you no more
Which one of these hoes in the lobby wanna slob me?
You know me, I like my dick brown like Bobby

In the duke shoot, then the bitch get the boot
Unless you lick ass and blow dicks like flutes
I like 'em cute, round tits and fat asses
Educated, so I can bust off on they glasses
I wanna cum on your tongue and gums all night
The bitch drink nuts by the pint

Yo, yo check it out, come on
Now check, check, check, check it out, now
My pee-pee has a first name
It's D-I-C-K-Y
My pee-pee has a best friend
It's P-U-S-S-Y

Now what I really wanna say
Now what I really wanna say
Is I hit it, eat it everyday

Now, before we go, we wanna know
If all the ladies in the house is strictly-dickly
Say it
(Strictly-dickly)
Say it
(Strictly-dickly)
Say it
(Strictly-dickly)

Now all the fellas in the house, all the fellas in the
house
Say, say, we are muthafucking strictly-clikly
Say it
(Strictly-clikly)
Say it
(Strictly-clikly)
Say it
(Strictly-clikly)

Now all the ladies in the house, all the ladies in the
house
I know we got to go now, I know we got to go now
I know we got to go now, so see you on the next page
See you on the muthafucking next page, biatch
