Intro: Puff Daddy

(Don't stop, I'm not finished yet [8x])
Do you ever ask yourself, when are they ever gonna stop?
Do you ever ask yourself, when are they gonna stop making those hits?
Do you ever ask yourself, when are they gonna stop making us dance?
Do you ever ask yourself,
When those Bad Boy are GONNA STOP MAKING ALL THIS MONEY?!

Verse One: Styles Paniro

I lick shots at intruders
Take the coke money and invest in computers
Tryin' to reach the next level, Rolex with the ice bezel
Coming through the ghetto, in a Porsche Carrero
But for now I'll play the back of the cruiser
Light another sack for the three time losers
Pour out some beer, bust out the ruger
Ladies and gentleman
Bullets will leave you tremblin'
Shooked up
I got my cuban mommy cooking up
We got it all from Heron to Fishscale
New York to Ismail get locked, I'm gettin' bail
My style is flashy like a fiver strobes
Going around the globe, hunnies wearing silk robes
Time to flip the script, bust the whip
Legend with the chip, dark blue with my trunk dipped
To the feds, catch me if you can
I'm a still transport with my man on the Peter Pan
Get there and bury the bricks in the sand
They think I want a tan, I'm sittin' on a hundred grand
So I can hit the boat and take a shower
Head back to the airport, and hide the money in the tower
Stack blocks by the keys
L to the O to the X you'll see

Chorus: Puff Daddy

Bad Boy, Bad Boy, what you gonna do
What you gonna do when they come for you
(Gun cocking) You'll see, (gun cocking) you'll se [2x]

Interlude: Puff Daddy

See, it's 1996 man,
And we gonna do the same thing to you
