### "Love No Ho"

*[Intro 1: The Notorious B.I.G. (Dude)]*

(Yo Bigs man, what's wrong man? You look like you got problems, man!)

Ayo man!

Pssh, man...

It's this fuckin' BITCH man!

Shit I know I ain't 'sposed to have no feelings for these hoes out here man, but...

This bitch on the back of my mind man! (word?)

Yeah man!

Done wrote a rhyme 'bout the bitch man! (Let me hear it!)

Want me to drop the drama kid? (Yeah!) *[beat starts]*

*[Intro 2:]*

Yeah, dedicatin this to you man

Cause my man 50 Gran' told me straight up and down man

I ain't 'sposed to love no ho!

Knahmsayin'?

I tried to tell her 50!

I got three rules in life!

I'm not to be played with... played on or played out!

I'm a drop it like dis!

*[Verse 1:]*

Lyin' in my bed. - I'm lookin' at four walls

Echo in my head sayin I got a lot of gall.

Grippin my cap, my pen in my teeth

Thinkin' what this ho said, she called me a: "Thief"!

She said I stole her heart. - And didn't leave a trace

I told her I was sorry and she said get out my face.

Walked out my door with my Walkman in my pocket

Playin' +Love Is A House+! -Aand thinkin' how she

jocked it.

When she had the key - to open up my door

Adore - that Prince scam that got me on the floor.

I know that she loved me, I couldn't ever fake it,

I say: "Go buy a pie! " - The girl would go bake it.

Makin' a record was important to me

More important than her that's what made her flee,  
see?

The mistake was not payin' no mind  
All her posse said we was two of a kind.  
I call her back twice. - Your sister said you're broke  
She said: "When you left, your ears was full of smoke!  
"

Chokin' on a cigarette you don't even smoke  
Jumped in the train station put in a token.  
Coulda been my partner, my amigo my peer,  
Just waitin for them three words that all girls wanna  
hear.

"I love you! " HUH! - You would start to cry if  
I would reply with I-L-Y!

Then I tell your friends - that you played me out  
Said I wouldn't say: "I love you! " Just to make you  
shout!

So I, call up 7 digits that would pick up your phone,  
Your sister picked it up and said that you wasn't home.  
I heard you in the back cryin' up a storm  
Screamin how you wish that I never was born.

"I hate him! I hate him! " That's what she kept sayin'  
She'll come to her senses is what I kept prayin'.

But now I'm gonna lay the cards on the line,  
Just say that you hate me! - Or say that you're mine!  
I said: "When I played ball you was in the stands!  
When I was sick, you held my hand!  
It was hard to say before, but now I can  
Bitch I love no ho! - FUCK YA! "

*[Interlude:]*

I don't give a fuck about'cha  
Take a long walk off a short peer bitch!  
Try to take bankrolls...  
Bum bitches outta here 50, man!  
Now check it!

*[Verse 2:]*

Come to my crib she say: "B.I.G. listen!  
I don't like the way you been dissin'!  
Feel like I been kissin other bitches cause my lips feel  
chapped  
I tell you it's on the blunts, you ain't tryna hear that! "  
Now I'm Henny'd like a fuck? - What's the riff?  
Who I'm sleepin with? - I ain't got the time to shoot the  
gift  
To hoes, I'm tryin to take bankroll.  
I ain't fuckin' nobody. - Case closed!  
You hit the lights and decide to doze off,  
No kiss goodnight, didn't take your clothes off.  
And my dick is harder than a rock,

Nobody to cockblock but you's a hardrock!  
The fuck you think I am, gay?  
I ain't got no time to play I ain't got nuttin' to say.  
Bounce out the crib! - Just to see my man, 50  
And what's up with B.I.G.  
And the O.G.B.! - You know they keep plenty hookers!  
And I ain't a bad looker.  
So I see one ho that I like yeah, oooh!  
Shit is cool! (Dude: Trust no hoes! - All they want is  
bankroll!)

*[Outro:]*

That's what I'm tryna tell you now, baby! *[beat fades out]*

My man 50 done schooled me to all y'all hookers,  
knaahmsayin?  
I ain't lame to this!  
Can't spell game without me, the B.I.G.!
