[Intro: The Notorious B.I.G.]

Uh

I like that, you like that? Heh

Here's another one

And another one,

And another one,

And another one

Uhh, what, what?

[Chorus - R. Kelly & The Notorious B.I.G.]

You must be used to me spendin

And all that sweet winin and dinin

Well I'm lovin you tonight

[Verse 1 - The Notorious B.I.G.]

Here's another one

And another one

Uhh, uhh, what?

Some say the x, make the sex

Spec-tacular, make me kiss you from yo neck

To yo back, then ya, shiverin, tongue deliverin

Chills up that spine, that booty is mine

Skip the wine and the candlelight, no Cristal tonight

If its alright with you, we lovin (that's alright)

Deja vu, the blunts sparked, finger lovin in the park

{Piss}y off Bacardi Dark

Remember when I used to play between yo feet

You begged for me to stop because you know where it
would head

Straight to yo mother's bed

At the Mariott, we be lucky if we find a spot

Next to yo sister, damn I really missed the

way she used to rub my back, when I {hit} that

Way she used to giggle when yo booty would wiggle

Now I know you used to sweets at the Parker Meridian

Trips to the Carribean, but tonight, no ends

[Chorus x2]

[Verse 2 - The Notorious B.I.G.]

Girl you look fine, like a windface Rolex, you just shine

I like that waistline

Let me hit that from behind, which wall you wanna
climb

My styles genuine, girl I love you long time

I got you pinned up, with yo freakin limbs up
All because you like the way my Benz was rimmed up
Chick keep yo chin up, please watch me do thee
Nasty, like it when you make it move fast mommy
I like it when you tro it pon me
No love makin, strictly back breakin
Ceas' know, all his {hoes}, go to my door
Then they go to his flo, to love some more
So no, caviar, sharp bar, uh uh
Strictly sex that's pretty and left over spaghetti
I know you used to slow CD's and Don P's
But tonight its eight tracks and six-packs while I hit that
[Chorus x2]
[Verse 3 - R. Kelly]
Let's stop the bull{shit} baby
Let me take you to the stop, get you hot
So you wanna be with me, Puff Daddy
B.I.G., bring that booty to me
[Chorus until fade]
