Mi Casa - Notorious B.I.G.

Biggie

You see I dont sweat these hoes

I keep em in flavors like Timbos N Girbauds

Bitches just like to play the merry go

(Yeah we know drop the scenario)

It was me D the MPV

The blunts and brew thang

Knockin' some Wu Tang M.E.T.H.

O shit look at them lips and them hips on that bitch

We hits the dip so i can drop my mac-a-dociaus shit

Like the blunt clip and recognize a pimp

Needless to speak the G's obsolete

Dont sleep bang the skins in the week

On the creep of the avenue

I seen her on the block

Who she rappin to?

That's my nigga D damn he got G'd

Now she fuckin him and fuckin me see

Chorus(R Kelly)

Mi casa you casa O

I aint lookin for no wife

I just wanna give dick to ya

Hit the club drink dance all night with ya

If the pussy good I might do something for ya

Girl show me how ya work that thing

You make a mother fuckin thug wanna sing

Baby baby can't you see

We gonna be fuckin till 6 in the morning

Biggie

Now I play her far like a move play a star

she still sweatin me hard because I'm a rap star

I be cruise up the block I be passin her

pimpin hard with the female passenger

and the only time I call her to hang

is when me and D blunted up pissy scheming on a

gangbang

she shoulda used her intuition

then she wouldn't be classified in that position listen

she sayin I dissed her cuz I'm fuckin her sister
A message to the fellaz that gets some pissed UH
But she started that fuckin family
She fucked ma man D so why she mad at me?
Plus your sister look better than you
Give head better than you pussy gets better than you
So break the fuck out like a rash
I'm glad I aint spend no cash to hit your nasty ass

Charlie Wilson
Red bones to lift those dubies
Hip huggers to show off ya booty
I'm hangin with the best of them sleep
If you want I'm a veteran
When I show up to the club it's VIP
I'm only dancing in the club if its B.I.G
I'm not lookin to find a wife just someone to make a
friend of mine

Chorus(R Kelly)

R Kelly
I roll up all black impala
So high when I walk in the club
I see this chick that used to get the dick
Now she freakin on the floor
Makin a nigger reminisce uh
I want her back in ma ride
I dont want no girlfriend
See I just wanna hit it and we can be cool
We can do this if you feelin the same way too
Come on girl lets go to my hotel
After party all night in my hotel
Pop mo smoke dope in ma hotel
In 20 minutes girl hit me on my self

Chorus(R Kelly)
