[Verse 2: Cheek Del Vec]

I admit, back in the days I did stupid shit
Now I changed, I'm into bigger and better things
like rockin Cuban change, bitch copped the Range
Del Vec was set with the Lex and diamond rings
Pop Moet with my bitch when it rain
Drink away the pain, got mad stress on my brain
A little niggarole for dough
Copped ki's across seas, in San Domingo
From a Cuban kid named Sallio, sell mad perrico
Coppin bout four bricks, then I called Nino
Meet me at the airport, feds is on the stalk
I almost got caught cause the dumb bitch talked
How much you make and what we do and where we live
at
How much my Vee cost and where my cash stash at
But the feds still couldn't get nuttin
J.M. still stuntin and frontin

Chorus: Jamal

One two y'all, you know we rock ya
Lil' Jamal and Junior M.A.F.I.A.
One two y'all, you know we rock ya
Lil' Jamal and Junior M.A.F.I.A.
One two y'all, you know we rock ya
Lil' Jamal and Junior M.A.F.I.A.

I'll fuck around, black, catch a Mac to ya back
Lethal weapon with the eighteen leather
Scheamin, bustin on whoever out the Jetta
Window, think slow sink low
Fuckin with raw dog 'Mal you ain't know, ahh
Remember this - funkabist lyricist
Blow the premises out the frame wit this
Killer seen with the guillotine shotty
with Junior M.A.F.I.A. rockin ya whole fuckin spot
Cockin the Glock, fifty, bust, hit the dust

Step in the realms of Junior M.A.F.I.A.

[Verse 4: Notorious B.I.G.]

I got that venom rhyme like Sprite got lemon lime
Donna Carradine, keep her hair done all the time
My rhyme, somewhat Shakespearean, blood I'm
smearin in
Tongue-kissin my lawyer, at my hearin
In this day and age, my rap is like the plague
I married this shit, y'all niggaz still engaged
Turn blowouts to 360 waves
How this 12 gauge feel sittin on ya tongue, on ya lips
'n'
dippin with money L in the green beamer
Sippin Zima's, on our way to see Katrina
She said she need a "Freak Like Me," like Adina
Fucked her by mistake she had a twin named Regina
I seen her, lights excite all the freaks
Squirtin on curtains, lips, tits and sheets
Compete, meet death, ya dead, ya die..
Don't fuck with B-I, that's that!
