(Chorus)Notorious B.I.G.

Damn Ma, I love you like a lot
Gonja, sensamelia,
Can I feel ya?
All I wannah do is touch ya
The Ultimate Rush
The drugs baby

First Verse (Missy Elliot)

Don't you know I'm the ultimate?
To get this milk, you be fortunate
Just like tasting pussy with pork in it
People stop when I'm walking in
I'm twisting twisting, I'm back on ten
And Im talking bout like Mase, come back again
My steez is immaculate
My paper stacking, keep tracking, I'm macing, Ya'll
slacking, Reaction, Make Ya'll dicks scream
I'm more gutter than golddiggers with figures, more
bigger than jiggas, and even Paris Hiltons
Damn sir, Sniff me like a Coke
Thrillons, Me won't give you none
Cintamelia, All you wannah do is sniff me
The ultimate rush, Get high baby
Damn sir, Sniff me like a coke
Three lines, Me won't give you none
Cintamelia, All you wannah do is sniff me
The ultimate rush, The drugs baby

Chorus (The Notorious B.I.G.)

Damn Ma, I love you like a lot
Gonja, sensamelia,
Can I feel ya?
All I wannah do is touch ya
The Ultimate Rush
The drugs baby

(B.I.G.)

Now BiggieSmalls is not the type to fall in love!
When I just hit em' and forget em' and go handle my
business

(Missy Elliot)

I like the kind who wine and dine
Who grinding all the time
Your x girl was a 5, but you not let up on a dime

(Notorious B.I.G.)

What is this with you? All you wannah do is lay around,
and stay around
And get mad when I play around

(Missy Elliot)

I like to lay, never work
Put your money in my purse
To the mall, I'll go search
Matching shoes for my skirt

(Notorious B.I.G.)

Tuesday I saw you in a Z
But you still wannah get with me
Wednesday is the Benz day
That's what your friends say

(Missy Elliot)

Me and my friends, got your benz,
Attracting mens, and spending dividence
Blowing like the wind

(Notorious B.I.G. chorus)

Damn Ma, I love you like a lot
Gonja, sensamelia,
Can I feel ya?
All I wannah do is touch ya
The Ultimate Rush
The drugs baby

(Notorious B.I.G.)

So I guess you think I'm slipping
Cause I ain't flipping
Baby I'm big Poppa, Aint no need to be tripping

(Missy Elliot)

I ain't tripping or flipping
I'm just niggah sipping
At the bar tipping,
With your money, can you pay the difference?

(Notorious B.I.G.)

It seems like it's a waste of time
That's why I wrote the rhyme
I hear you jumping in every car except for mine

(Missy Elliot)

Niggah, I don't jump in cars
I'm a superstar
Face way too flaw, You should hang me on your wall

(Notorious B.I.G.)

All I do all day is drink Tanguray
Thinking of a way to put a smile on your face

(Missy Elliot)

Make me smile, see them teeth
Milo cute down to them feets
Chubby waste, My Physique
Me don't want a freak-a-leek

(Notorious B.I.G.)

Should I wine and dine and put rings on your fingers?
While sex from the next man in the bedroom lingers?

(Missy Elliot)

Sex will never linger
Hold up, Put on your blinkers
I flow just like sprinklers
Give your ass the middle finger

(Notorious B.I.G.)

You'd better slow your role baby,
You ain't got enough dough to pay me
You know the pennumber, Just page me
When your real baby

(Chorus, Notorious B.I.G.)

Damn Ma, I love you like a lot
Gonja, sensamelia,
Can I feel ya?
All I wannah do is touch ya
The Ultimate Rush
The drugs baby

Damn Ma, I love you like a lot
Gonja, Cintamelia,
Can I feel ya?
All I wannah do is touch ya
The Ultimate Rush
The drugs baby
