I wish I had another chance, another place in mind  
I wish I had another chance and life had just begun

What you expected from his next of kin  
I'm Loco Bro, but ain't no Mexican  
I got nines in the bedroom, glocks in the kitchen  
A shotty by the shower if you wanna shoot me while I'm  
shittin'

The lesson from the Smith and Wesson is depressin'  
Niggaz keep stressin', the same motherfuckin'  
question  
How many shots does it take, to make my heart stop  
And my body start to shake, if I should die before I  
wake

I am here, I'm watching you  
(If I should die before I wake)  
Love, the flesh, my blood's pourin' through  
(If I should die before I wake)

This, can be, reality  
(If I should die before I wake)  
Wake, up, my dead face I see  
(If I should die before I wake)  
My dead face I see, my dead face I see

I wish I had another chance, another place in mind  
I wish I had another chance and life had just begun

On your mark, get set, when I spark you're wet  
Look how dark it get when you're marked wit death  
Should I, start your breath or should I let you die  
If he start to cry, ask why?

Lyricaly, I'm worshiped, don't front, the word's sick  
You cursed it, but rehearsed it  
I drop unexpectedly like bird shit  
You herbs get, stomped quickly for raw T's and show  
money

Don't forget the publishin', I'm punishin'

I'm done wit them, son I'm surprised you run wit them  
I think they got comin', 'cause they nothin' but bitch  
Tryna blow up like nitro wit dynamite sticks

Mad I smoke, but yo I rock diamonds that's sick  
Got paper off my flow, ride wit my own click  
Take chicks to Cairo, layin' wit yo' bitch  
I know you playin' you was rich fuck you prick, when I  
see you I'ma

I am here, I'm watching you  
(When I see you I'ma)  
Love, the flesh, my blood's pourin' through  
(When I see you I'ma)

This, can be, reality  
(When I see you I'ma)  
Wake, up, my dead face I see  
(When I see you I'ma, when I see you I'ma)  
My dead face I see, my dead face I see  
(When I see you I'ma)

I wish I had another chance, another place in mind  
[Incomprehensible]  
I wish I had another chance and life had just begun  
[Incomprehensible] I don't have to run

I wish I had another chance, another place in mind  
[Incomprehensible]  
I wish I had another chance and life had just begun  
[Incomprehensible] I don't have to run

I don't have to run, I don't have to run  
I don't have to run, I don't have to run  
When I see you I'ma, I don't have to run  
When I see you I'ma, I don't have to run
