Introducing Kaz James
Macy Gray
Put your hands up now
One, two, three, four, let's go

You are my sexy beast
My love machine, my man whore
I am your freakazoid
Your b#tch, your trick
What you want more? What?
This world is burning up
So turn it up, yeah, body rock it
As superman says let it go
So let it go, I can't hold

I can't hold back anymore
I can't hold back anymore
I can't hold back anymore, more, more

Money, fame, true love is bullshit
But baby I'll take it
Jesus is coming so move it
Yeah pop it shake it
We gotta fix up
Put it back the way he had it
Supadupa my love
Super size my love habit
And it's heavy on my mind
Ba - baby when you were mine
I was happy all the time, time, time
So I'm coming back to get ya
Gonna give you the best ah
My putentang, Superman says

I can't hold
I can't hold
I can't hold
I can't hold (hands up now)
I can't hold (hands up now)
I can't hold (hands up now)

Love, love, love, loveâ€¦

I can't hold back anymore

I can't hold back anymore

I can't hold back anymore, more, more
