[puff daddy]

Yea though i walk through the valley of the shadow of death

I will fear no evil -- for you are with me

Your rod and your staff, they comfort me

You prepare a table for me, in the presence of my enemies

You annoint my head with oil, my cup overflows

Surely goodness and love will follow me -- all the days of my life

And i will dwell in the house of the lord forever

[notorious b.i.g.]

Niggaz in my faction don't like askin questions

Strictly gun testin, coke measurin

Givin pleasure in the benz-ito

Hittin fanny, spendin chips at manny's

Hope you creeps got receipts, my peeps get dirty like cleats

Run up in your crib, wrap you up in your polo sheets

Six up in your wig piece, nigga decease

Mwa, may you rest in peace

With my sycamore style, more sicker than yours

Four-four, and fifty-four draw

As my pilot, steers my leer, yes my dear

Shit's official, only, the feds i fear

Here's a tissue, stop your blood clot cryin

The kids, the dog, everybody dyin, no lyin

So don't you get suspicious

I'm big dangerous you're just a lil vicious

As i leave my competition, respirator style

Climb the ladder to success escalator style

Hold y'all breath, i told y'all -- death

Controls y'all, big don't fold y'all, uhh

I spit phrases that'll thrill you

You're nobody til somebody kills you

\*chorus\*

You're nobody, til somebody, kills you

(i don't wanna die, god tell me why)

You're nobody, til somebody, kills you

(i don't wanna die, god tell me why)

Uhh, uhh  
Watch casino, i'm the hip-hop version of nicky tarantino  
Ask nino, he know  
Green with envy, the green tempts me  
To make the rich the enemy, and take their cheese  
Take their spots, take their keys, make my faculty  
Live happily, ever after in laughter  
Hah, never seen cristal pour faster  
And to those bastards, knuckleheads squeeze lead  
Three of mine dead, nuttin left to do  
But tear they ass to shreds, leave em in bloodshed  
Incidents like this i take trips  
Lay up in miami with tamika and tammy (huh)  
Some creole c-o bitches i met on tour  
Push a peach legend coupe, gold teeth galore  
Told me meet em in the future later, they'll take me  
shoppin  
Buy me lavender and fuschia gators  
Introduce me to playa haters and heavy weighters  
Rich bitch shit, drinkin cristal  
Til they piss the shit, uhh  
Thorough bitches, adapt to any borough bitches  
Be in spots where they were no bitches, you feel me  
Reminesce on dead friends too  
You're nobody til somebody kills you

\*chorus\* 2x

Uhh, uhh  
You can be the shit, flash the fattest five (that's right)  
Have the biggest dick, but when your shell get hit  
You ain't worth spit, just a memory  
Remember he, used to push the champagne range (i  
remember that)  
Silly cat, all suede in the rain  
Swear he put the g in game, had the gucci frame  
Before dana dane, thought he ran with kane  
I can't recall his name (what was his name?) you mean  
that kid  
That nearly lost half his brain over two bricks of  
cocaine?  
Gettin his dick sucked by crackhead lorraine  
A fuckin shame, duke's a lame, what's his name?  
Darkskin jermaine, see what i mean?

\*chorus\* 2x (fades)
