(scat singing) one two three four  
If I had ever been here before  
I would probably know just what to do  
Don't you?  
If I had ever been here before on another time around  
the wheel  
I would probably know just how to deal  
With all of you  
And I feel  
Like I've been here before  
Feel  
Like I've been here before  
And you know it makes me wonder  
What's going on under the ground, hmmm  
Do you know? Don't you wonder?  
What's going on down under you  
We have all been here before, we have all been here  
before  
We have all been here before, we have all been here  
before  
We have all been here before, we have all been here  
before
