I'll light the fire, you place the flowers
In the vase that you bought today

Staring at the fire for hours and hours
While I listen to you play your love songs
All night long for me, only for me

Come to me now, and rest your head
For just five minutes, everything is done

Such a cozy room, the windows are illuminated
By the evening sunshine through them
Fiery gems for you, only for you

Our house, is a very, very, very fine house
With two cats in the yard, life used to be so hard
Now everything is easy, 'cause of you

Our house, is a very, very, very fine house
With two cats in the yard, life used to be so hard
Now everything is easy, 'cause of you

I'll light the fire, while you place the flowers
In the vase that you bought today
