Dear father x-mas your name is on my list  
I make you an offer you can't resist - Scrooge  
Bring in the big guns, oh see! it's raining deers  
I've been a real bad boy this year - Scrooge  
A giant shadow re-emerges with scythe in hand  
who is the reaper with the snow-white tan - Scrooge  
repeating nightmares, he comes, he sows, he reaps  
The Christmas spirit haunts me in my sleep - Scrooge  
At every corner there's a beggar in a beard  
who wants my money every god damn year...  
expectant children terrorizing with their whine  
"Jinglebells, jinglebells" oh shut the X and shove  
these Christmas carols where the sun don't shine!
