Well if you're dying to be dying  
- I'll bring Nosferatu you

And you're sick of all the suckers  
Then - I'll bring Nosferatu you  
The price of your entry is sin  
I know you're lying when you're  
Saying yes - I bring Nosferatu you  
And now you wonder about that  
Hunger - well I brought Nosferatu you

You're terrifying so stop whining  
- I brought Nosferatu you  
The price of your entry is sin  
So, if you're dying to be dying  
- I'll bring Nosferatu to you too!
