Razors slashing  
Grabbing beneath skin  
Blood all over  
I undo myself from face  
This body I refuse  
Must be sacrificed to my rage  
For it's an insult and a blasphemy  
To the Satanic Will

Hail Satan!  
Hail Satan!

I am Chaos  
Made out of Madness  
I carry Insane Hatred  
And yes, I know not god  
The supposed blessing from creation  
Has been withheld from me ever since I was born

And yes, I know not god  
And yes, I know not god

My hatred requires more and more blood  
Each time I rip myself to pieces  
Bound to become bleeding  
Bound to become drained from all holy

Molesting god's gift  
I slit myself clean  
This carcass was Satanized  
And it's terminal!

Salvation through self mutilation  
I cut myself red  
Purification through putrefaction  
God rots inside me

Until all righteousness  
Latent in the core of my being is exhausted  
Scraping all human from my soul  
Which is black as pitch

Cut off from god  
Ceremonial separation  
Removal of father, son and holy spirit

Agla Eloim  
Agla Jehova  
Agla Sabaoth  
Agla Adonai Mathon  
Thou are fully and utterly aborted

Unclean spirit I cast you out!
