Do you remember when the sun rested on the hill  
waiting there for you to  
see?

Do you remember when the moon was full dancing on  
the water for you?

Do you remember when it seemed we were closer  
Seemed we were closer than ever?

Do you remember? Oh, oh

Chorus

When you lift your eyes to the hills,  
Do you ever sit in solitaire and wonder?  
When you lift your hands to the night,  
How does it feel when your all alone?  
When you lift your voice to the heaven's,

Do you ever sit in solitaire and hunger?

When you lift your eyes are you alone?

Do you remember when the evening breeze blew in and  
cleaned your soul?

Do you remember when the valley echoed a peaceful  
song

and the deepest part of you was crying out to sing  
along?

Do you remember? Oh, oh

Chorus

Do you remember when the sun rested on the hill  
waiting there for you to  
see?

That was Me!

Chorus

(repeat twice)
