Afrika bambaataa

Feel the rhythm of the Afrika Bambaataa
Are you ready for the new age
They are setting the stage for the renegades
To control your mind, they planned it yesterday
F-f-free

Zulu nation here to stay
Let's get electrified
Let's get electrified
Let's get electrified
Let's get electrified

Let's get electrified
Let's get electrified
Let's get electrified
Let's get electrified

Pump it, rockin' it, stickin' it, funkin' it Afrika
Pump it, rockin' it, stickin' it, funkin' it Zulu nation
Z U L U, that's the way we say Zulu
Z U L U, that's the way we say Zulu

Zulu nation, cities of angels
Zulu nation, cities of angels

Afrika bambaata Zulu nation
Future shock
We want your funk, Afrika
We want your funk

Let's get electrified
Let's get electrified
Let's get electrified
Let's get electrified

The world is on fire
Can I take you higher
The world is on fire
Zulu nation

Electro get going and the funk don't stop
Time to clear the floor and let the Zulu's rock
The year 2000 is on the way some say
The year 2000 has been here since yesterday

Electric beats, electric beats
We're Zulu
The crisis's gonna stop, the future's gonna rock
The crisis's gonna stop, the future's gonna rock
Sat what

Z U L U, that's the way you say Zulu
Z U L U, that's the way you say Zulu
