Party people, party people  
Can y'all get funky?  
Soul Sonic Force, can y'll get funky?  
The Zulu Nation, can y'll get funky?

Ya, just hit me  
Just taste the funk and hit me  
Just get on down and hit me  
Bambaataa's jus' gettin' so funky, now hit me  
Ya, just hit me

Just start to chase your dreams  
Up out your seats, make your body sway  
Socialize, get down, let your soul lead the way

Shake it now, go ladies, it's a livin' dream  
Love, life, live  
Come play the game, our world is free  
Do what you want but scream

We know a place where the nights are hot  
It is a house of funk  
Females and males  
Both headed all for the disco

The DJ plays your favorite blasts  
Takes you back to the past, music's magic, poof  
Bump, bump, bump, get bump with some flash, people

Rock, rock to the Planet Rock, don't stop  
Rock, rock to the Planet Rock, don't stop

The Soul Sonic Force, Mr. Biggs, Pow Wow and MC  
Globe  
We emphasize the show, we got ego  
Make this your night, just slip it right and by day

As the people say, live it up, shucks  
No work or play, our world is free  
Be what you be, so be

Rock, rock to Planet Rock, don't stop

Rock, rock to Planet Rock, don't stop

You're in a place where the nights are hot  
Where nature's children dance and set a chance  
On this Mother Earth, which is our rock

The time has come and work for soul, show you really  
got soul  
Are you ready hump, bump, bump, get bump, now let's  
go, house

Twist and turn, [Incomprehensible]  
You got the body rock and pop, bounce and pounce

Everybody just rock it, don't stop it  
You gotta rock it, don't stop  
Keep tickin' and tockin', work it all around the clock  
Everybody keep rockin' and clockin' and shockin' and  
rockin', go house

Everybody say, rock it, don't stop it  
Well hit me, Mr. Biggs, Pow Wow, G L O B E  
The Soul Sonic Force

You gotta rock it, pop it, 'cause it's the century  
There is such a place that creates such a melody  
Our world is but a land of a master jam, get up and  
dance  
It's time to chase your dreams

Up out your seats, make your body sway  
Socialize, get down, let your soul lead the way  
Shake it now, go ladies, it's a livin' dream  
Love, life, live

Everybody say, rock it, don't stop it  
Everybody say, shock it and pop it  
Everybody say, ich me sun chi

Say, Planet Rock  
It's the sure shot  
Say, Planet Rock  
It's the sure shot

So twist and turn, then you let your body glide  
You got the body rock and pop, bounce and pounce

So hit me  
Just taste the funk and hit me  
Just get on down and hit me  
Bambaataa's gettin' so funky, now hit me

Every piece of the world  
Rate the message of the worlds  
All men, women, boys, and girls, hey our Planet Rock is  
superb  
Get on it

You got the groove, move, shak, undi, shak, undi, shak  
Feel the groove, feel it  
Do what ya want but ya know ya got to be cool and  
boogie  
Out on the floor, go down, bring it low, close to the  
ground

Everybody just rock it, don't stop it  
We gotta rock it, don't stop  
Keep tickin' and tockin'  
Work it all around the clock

Everybody just rock it, don't stop it  
We gotta rock it, don't stop  
Keep tickin' and tockin'  
Work it all around the clock

Everybody gotta rock it, don't stop it  
We gotta rock it, don't stop it  
Gotta rock it, don't stop it  
Gotta rock it, don't stop

Gotta rock it, don't stop it  
Gotta rock it, don't stop it  
Gotta rock it, don't stop it  
We gotta rock it, don't stop

We gotta rock it, don't stop it  
We gotta rock it, don't stop it  
We gotta rock it, don't stop it  
We gotta rock it, don't stop

We gotta rock it, don't stop it  
We gotta rock it, don't stop it  
We gotta rock it, don't stop it  
We gotta rock it, don't stop
