Anything you want to know, just ask me  
I'm the world's most opinionated man  
I'll give you an answer if I can  
Catch one passing through  
That feels right for you

Anything you want to know, just ask me  
It's worth every cent it costs  
And you know it's free for you  
Special deal

Anything you want to know  
It should be perfectly clear  
You see just beneath the surface of the mud  
There's more mud here, surprise

Is there anything you want to know  
On any subject at all?  
I've got time for one more question here  
Before I fall, fall, is there anything at all
