One morning I woke up and I knew  
you were really gone  
A new day, a new way, I knew  
I should see it along  
Go your way, I'll go mine  
and carry on

The sky is clearing and  
the night has gone out  
The sun, he come, the world  
is all full of light  
Rejoice, rejoice, we have no choice  
but to carry on

The fortunes of fables are able  
to sing the song  
Now witness the quickness  
with which we get along  
To sing the blues you've got  
to live the tunes and carry on

Carry on

Love is coming  
Love is coming to us all

(instrumental)

Where are you going now my love?  
Where will you be tomorrow?  
Will you bring me happiness?  
Will you bring me sorrow?  
Oh, the questions of a thousand dreams  
What you do and what you see  
Lover can you talk to me?

Girl when I was on my own  
chasing you down  
What was it made you run?  
Trying your best just to get around  
The questions of a thousand dreams  
what you do and what you see

Lover can you talk to me?
