Know you are a friend of mine, babe
You been gone an awful long time
You might remember me
I tried to set your soul free

Glad that you got it made
When did you finalize your last trade?
You are the only one I've ever seen
Do what you done

Anything that you done, done
You are the only one
Don't put me under your gun

I'm gonna be missing you
Even though I understand that you're not through
Go on take it day by day seems like I lost you anyway

Glad that you got it made
When did you finalize your last trade?
You are the only one I've ever seen
Do what you done, done

Anything that you done done
You are the only one
Don't put me under your gun

When you came to save the world
I caused your dreams to fade
I couldn't do what you did
And rained on your parade

Glad that you got it made
Glad that you got it made

Hard set of changes, for anyone that I know
You're gonna make it, make it, make it better for you
And me and anyone else you know

Just don't forget me, I'll be there when you're done
And in the meantime, meantime, you'll get to know
yourself

So don't judge anyone else, anyone.

It doesn't matter I don't mind
I'm sure that you'll remember sometime, even if you
never do
All you need to worry 'bout now is you

Glad that you got it made
When did you finalize your last trade?
You are the only one I've ever seen
Do what you done, done

Anything that you done, done
You are the only one
Don't put me under your gun

Glad that you got it made
