We're all on our own  
So look at us all, woah  
How can we not raise  
A voice against the madness

There isn't the time  
To wonder or wait  
'Cause only the young  
Can carry the weight  
And face the silence

Do we run? Do we stop?  
Do we lie down? I think not  
There's an answer that we've got  
We are not helpless

The vision will stand  
As blindness will fall  
Now we must look for the light  
In the darkness

Do we run? Do we stop?  
Do we lie down? I think not  
There's an answer that we've got  
We are not helpless

No no no  
No no no  
No no
