Since I met you

In the time it takes to count from one to four  
I'll be back and asking you, "Is there more?"  
Yes it is, all about your loving  
I am yours, I can't get enough of your love

Since I met you

Might be all about I like the things you say  
I don't really care, do you? Either way, yeah  
Feeling very strong about you  
I don't want to live without your love

Since I met you, yeah

I met you, I became a stronger man  
Trying too hard to prove too much before  
If you're trying to relax, don't ask questions  
That will surely tax you later on  
You'll have your answer

Best of all you never worry, but always care  
All you need to know is that I am there, yes I am  
Don't know why you ever chose me  
Heaven knows, we certainly have loved enough

Since I met you

Since I met you  
Since I met you, girl

Since I met you  
Since I met you, girl

Since I met you  
Since I met you, girl, girl, girl
