Southern man better keep your head  
Don't forget what your good book said  
Southern change gonna come at last  
Now your crosses are burning fast

Southern man

I saw cotton and I saw black  
Tall white mansions and little shacks  
Southern man when will you pay them back?  
I heard screaming and bullwhips cracking  
How long? How long?

Southern man better keep your head  
Don't forget what your good book said  
Southern change gonna come at last  
Now your crosses are burning fast

Southern man

Lillie belle, your hair is golden brown  
I've seen your black man coming 'round  
Swear by God, I'm gonna cut him down  
I heard screaming and bullwhips cracking  
How long? how long?

Southern man better keep your head  
Don't forget what your good book said  
Southern change gonna come at last  
Now your crosses are burning fast

Southern man
