You who are on the road
must have a code
that you can live by
And so become yourself
because the past is just a good-bye

Teach your children well
their father's hell did slowly go by
And feed them on your dreams
The one they picks
the one you'll know by
Don't you ever ask them why
if they told you, you will cry
So just look at them and sigh
and know they love you

And you of tender years

can't know the fears
that your elders grew by
And so please help them with your youth
they seek the truth before they can die

Teach your parents well
their children's hell will slowly go by
And feed them on your dreams
The one they picks
the one you'll know by
Don't you ever ask them why
if they told you, you would cry
So just look at them and sigh
and know they love you
