Look around me, I can see my life before me  
Running rings around the way it used to be  
I am older now I have more than what I wanted  
But I wish that I had started long before I did

And there's so much time to make up everywhere you  
turn  
Time we have wasted on the way  
So much water moving underneath the bridge  
Let the water come and carry us away

Oh when you were young did you question all the  
answers  
Did you envy all the dancers who had all the nerve?  
Look round you know, you must go for what you wanted  
Look at all my friends who did and got what they  
deserved

So much time to make up everywhere you turn  
Time we have wasted on the way  
So much water moving underneath the bridge  
Let the water come and carry us away

So much love to make up everywhere you turn  
Love we have wasted on the way  
So much water moving underneath the bridge  
Let the water come and carry us away  
Let the water come and carry us away
